New 2027 Sponsorship Process

OCP is introducing a new process for sponsor participation at the 2027 OCP Global Summit.

Beginning **November 2, 2026**, the sponsor application process will be conducted entirely online and will no longer take place onsite during the current Summit. Physical submission forms are being discontinued in favor of a streamlined virtual experience.

A dedicated submission link will be open for three weeks. During that window, interested organizations are invited to apply by completing a short questionnaire.

When reviewing and allocating sponsorship opportunities, OCP considers a number of factors, including:

- Previous participation in OCP events as a sponsor
- OCP membership status
- Volunteer leadership roles
- OCP Contributions
- Products and services on the OCP Marketplace
- Participation in project calls
- Attendance at OCP events
- Overall engagement within the OCP Community

This updated process is designed to ensure a fair, transparent, and community-driven approach to sponsorship selection. The application form will be posted on this page on November 2, 2026. Scan the QR code below to subscribe and get notified when it goes live.

Don't miss a sponsorship announcement. Subscribe at:

What's changing this year

Sessions become add-ons

Executive Sessions (20 min - $10,000) and Expo Hall Sessions (15 min - $10,000) are no longer included in booth packages. They're now add-on options — Executive Sessions are available for Diamond and Emerald sponsors, Expo Hall Sessions are available for Diamond, Emerald, and Ruby sponsors. Available until the limit is reached.

Meeting rooms move to local hotels

Meeting rooms are no longer included in sponsor packages. With the Summit's continued growth, all convention center space is needed for Summit programming. OCP will instead connect top-level sponsors with local hotels to book private space directly.
