

Open Compute Project Foundation Solution Provider/ Component Provider Agreement

This Solution Provider/ Component Provider Agreement (“**Solution Provider/ Component Provider Agreement**”) is entered into as of the Effective Date, by and between Open Compute Project Foundation, a Delaware nonprofit nonstock corporation with offices at PO Box 82287, Austin, TX 78708 (“**OCP**”) and the party identified on the signature page to this Solution Provider /Component Provider Agreement (the “**Solution Provider/ Component Provider**”), (each, a “**Party**”, and together, the “**Parties**”). In the case of any inconsistency between this Solution Provider/ Component Provider Agreement and the OCP Bylaws (“**Bylaws**”), the Bylaws control. In the case of any inconsistency between this Solution Provider/ Component Provider Agreement and the OCP Membership Agreement (“**Membership Agreement**”), the Membership Agreement controls.

WHEREAS, OCP is the administrator of the OCP’s Solution Provider/ Component Provider program and, in connection therewith, makes available licenses to associated membership marks (the “**Licensed Solution/Component Provider Marks**,” as defined below);

WHEREAS, Solution Provider/ Component Provider is a member of the Open Compute Project Foundation and desires to participate in OCP’s Solution Provider/ Component Provider program, and Solution Provider/Component Provider desires to use the Licensed Solution/Component Provider Marks in connection with Solution Provider/Component Provider’s system integration services, all subject to the terms of this Solution Provider/ Component Provider Agreement;

WHEREAS, OCP agrees to grant, and Solution Provider/Component Provider agrees to accept, a license to use the applicable Licensed Solution/Component Provider Marks associated with the Solution Provider / Component Provider program, subject to the terms and conditions herein.

NOW, THEREFORE, in exchange for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties agree as follows:

1. **Definitions.** The following terms will have the following meanings in this Agreement:
 - 1.1 “**Effective Date**” means the date on which this Solution Provider/ Component Provider Agreement has been signed by both parties.
 - 1.2 “**Licensed Solution Provider Marks**” means, collectively, the word mark OPEN COMPUTE PROJECT SOLUTION PROVIDER and associated membership marks and logos, including but not limited to the membership marks and logos set forth in Exhibit A. OCP reserves the right to update, replace, supplement, or revise the contents of Exhibit A.

Open Compute Project Foundation Solution Provider/ Component Provider Agreement

-
- 1.3** “**Licensed Component Provider Marks**” There are currently no Licensed Component Provider Marks available. If and when they become available, this definition will be revised, and Licensed Component Provider Marks will be set forth in Exhibit A. OCP reserves the right to update, replace, supplement, or revise the contents of Exhibit A.
- 1.4** “**Licensed Solution/Component Provider Marks**” means the collective the Licensed Solution Provider Marks and Licensed Component Provider Marks, as each is defined above.
- 1.5** “**Open Compute Product**” means a product that has been certified by OCP as an OCP-ACCEPTED™ or OCP-INSPIRED™ product as determined by OCPF in its sole discretion pursuant to its Certification Mark program and the terms thereof.
- 1.6** “**Solution Provider/ Component Provider Program**” means the program administered by OCP to enable solution and component providers to design, build, and market technology solutions based on OCP designs.
- 1.7** “**OCP Trademark Usage Guidelines**” means the Open Compute Project Trademark Usage Guidelines, which describes the required manner of using and displaying the applicable Solution Provider/Component Provider Marks and is available at <http://opencompute.org/participate/legal-documents>, as the same may be updated by OCP from time to time.

2. Participation in the Solution Provider/ Component Provider Program

- 2.1** **Participation.** Solution Provider/ Component Provider must be a member of OCP in good standing to participate in the Solution Provider/ Component Provider Program. The requirements for such membership in the Solution Provider/ Component Provider Program will be in accordance with OCP’s then-current Solution Provider/ Component Provider Program requirements, which, as of the Effective Date, are listed on OCP’s website on its Solution Provider/ Component Provider page located at: <http://www.opencompute.org/about/open-compute-project-solution-providers/> (“Program Requirements”). OCP may update the Program Requirements from time to time; however, Solution Provider/ Component Provider will not be obligated to meet any new requirement added during the term of this Solution Provider/ Component Provider Agreement, unless and until this Solution Provider/ Component Provider Agreement is next renewed as described in Section 4.1.

Open Compute Project Foundation Solution Provider/ Component Provider Agreement

-
- 2.2 Sales Information.** Solution Provider/ Component Provider shall share sales information pertaining to its Certified Open Compute Products with OCP on a quarterly basis, including customer segment and sales volumes of Solution Provider/Component Provider 's Certified Open Compute Products, except to the extent such information cannot be shared due to Solution Provider/ Component Provider's confidentiality obligations to customers or other third parties. OCP shall treat such information as confidential, shall use such information only for the purpose of administering the Solution Provider/ Component Provider Program, and shall not disclose such information to third parties without Solution Provider/ Component Provider's prior written consent.
- 2.3 Payment.** Solution Provider /Component Provider will make the payments to OCP set forth in **Exhibit C**. All sums due hereunder shall be due and payable upon receipt of OCP's invoice.
- 2.4 Assignment.** Solution Provider/ Component Provider may not assign this Solution Provider Agreement (by operation of law or otherwise) without the prior written consent of OCP, and any prohibited assignment will be null and void.

3. Membership Mark License

- 3.1 License Grant.** Subject to the terms and conditions of this Solution Provider/ Component Provider Agreement, as well as Solution Provider/ Component Provider's continuing adherence to the Program Requirements, OCP grants to Solution Provider/Component Provider a limited, non-exclusive, revocable, non-transferable, non-sublicensable, royalty-free, worldwide license to reproduce and use the applicable Licensed Solution Provider/ Component Provider Marks solely in connection with accurately designating Solution Provider/Component Provider as a member of OCP's Solution Provider/ Component Provider Program. The Licensed Solution Provider/ Component Provider Marks may be used only as depicted in Exhibit A and may only be used in a reasonable manner that fully comports with the OCP Trademark Usage Guidelines, which form a portion of this Solution Provider/ Component Provider Agreement and are included by reference as if they had been restated here in their entirety. Solutions Provider/ Component Provider is prohibited from using the Licensed Solution Provider/ Component Provider Marks in any other form than specifically set forth in this Solution Provider/ Component Provider Agreement and the OCP Trademark Usage Guidelines. The Licensed Provider Marks must be used only in a manner that accurately describes the activities and membership status of Solution Provider/Component Provider. Except for the limited license herein, OCP reserves all right, title and interest in and to the Licensed Provider Marks.

Open Compute Project Foundation Solution Provider/ Component Provider Agreement

-
- 3.2 Required Link.** If Solution Provider/Component Provider uses the Licensed Solution Provider/ Component Provider Marks on its website or other electronic materials with hyperlinking capability, Solution Provider/Component Provider shall cause the representation thereof to link to the OCP web site at opencompute.org.
- 3.3 Unlicensed Use.** Nothing contained herein grants Solution Provider/ Component Provider the right to use of any other trademark, service mark, certification mark, membership mark, tag line and/or logo of OCP without express written permission from OCP. Solution Provider/ Component Provider agrees not to use OCP or Open Compute Project Foundation – or any other trademark, service mark, certification mark, membership mark, tag line and/or logo of OCP – on any products, packaging, labels, tags, in signage, advertisements, or any informational or promotional material, whether in print, electronic, or other form, except as expressly permitted in this Solution Provider/ Component Provider Agreement or otherwise in writing by OCP. Use of the Licensed Solution/Component Provider Marks in any manner inconsistent with the terms of this Solution Provider/ Component Provider Agreement, including the OCP Trademark Usage Guidelines, or use of any other trademark, service mark, certification mark, membership mark, tag line and/or logo of OCP without explicit written permission from OCP, and in accordance with the terms thereof, whether intentional or not, shall be considered an infringement and a breach of this Solution Provider/ Component Provider Agreement and the Membership Agreement and could result in revocation of membership and prosecution for trademark infringement, in addition to any other remedies that OCP may have at law, under this Solution Provider/ Component Provider Agreement, the Membership Agreement, or otherwise.
- 3.4 Changes to Guidelines.** Solution Provider/Component Provider shall be afforded three (3) months subsequent to any changes to the OCP Trademark Usage Guidelines or the Licensed Solution/Component Provider Marks to implement any new requirements of the OCP Trademark Usage Guidelines or changes to the Licensed Solution/Component Provider Marks or to discontinue use of the Licensed Solution/Component Provider Marks without affecting the validity of this Solution Provider/ Component Provider Agreement, including the OCP Trademark Usage Guidelines, or the rights granted hereunder. For a period of one (1) year from the date of the change to the OCP Trademark Usage Guidelines or the Licensed Solution/Component Provider Marks, Solution Provider/Component Provider shall have the right to distribute remaining inventory stock (but not to create or obtain any new inventory stock) of physical materials bearing the Licensed Solution/Component Provider Marks in the normal

Open Compute Project Foundation Solution Provider/ Component Provider Agreement

course of business where such materials have become non-compliant as a direct result of such change to the OCP Trademark Usage Guidelines or the Licensed Solution/Component Provider Marks.

- 3.5 Jurisdiction-Specific Terms.** Solution Provider/ Component Provider acknowledges and agrees to abide by any applicable jurisdiction-specific terms and conditions, located at <http://opencompute.org/participate/legal-documents> (or other applicable online location upon notice from OCP).
- 3.6 Ownership, Trademark Registration and Protection.** Solution Provider/ Component Provider acknowledges and agrees that that OCP is the sole owner of the Licensed Solution/Component Provider Marks and all associated goodwill, and Solution Provider/ Component Provider shall take no action and make no statement inconsistent therewith. Solution Provider/ Component Provider shall not challenge or contest, or cause any third party to challenge or contest, OCP's rights in the Licensed Solution/Component Provider Marks, the validity of the Licensed Solution/Component Provider Marks, or any registrations therefore, or the validity of this Solution Provider/ Component Provider Agreement. Solution Provider/ Component Provider shall not register or attempt to register anywhere in the world any of the Licensed Solution/Component Provider Marks or any other name or mark confusingly similar thereto. All use of any of the Licensed Solution/Component Provider Marks by Solution Provider/Component Provider will inure solely to the benefit of OCP and Solution Provider/Component Provider shall acquire no rights therein. If at any time Solution Provider/Component Provider acquires any rights in, registrations of, or applications for, any of the Licensed Solution/Component Provider Marks, by operation of law or otherwise, Solution Provider/Component Provider shall immediately upon request by OCP and at no charge to OCP assign such rights, registrations, or applications to OCP, along with any and all associated goodwill. Solution Provider/Component Provider agrees to provide OCP, at OCP's expense, such reasonable assistance as OCP may require in OCP's efforts to register and protect OCP's rights in the Licensed Solution/Component Provider Marks.
- 3.7 Third Party Infringement.** Solution Provider/Component Provider shall immediately notify OCP in writing of any suspected infringement of OCP's rights in the Licensed Solution/Component Provider Marks in any jurisdiction of which Member becomes aware. Solution Provider/Component Provider agrees to notify OCP of any claims made against it, adverse to or conflicting with OCP's exclusive ownership of the Licensed Solution/Component Provider Marks. OCP may, in its sole discretion, enforce its rights in the Licensed Solution/Component Provider Marks to stop unauthorized use of the Licensed Solution/Component

Open Compute Project Foundation Solution Provider/ Component Provider Agreement

Provider Marks, at its OCP's own expense, and will retain all recoveries thereby received.

3.8 Solution Provider/ Component Provider's Trademarks. Solution Provider/ Component Provider hereby grants OCP the right to use Solution Provider/ Component Provider's trademarks or service marks only to identify Solution Provider/ Component Provider as a member of the Solution Provider/ Component Provider Program, including placing Solution Provider/ Component Provider's logo on OCP's applicable web page, or as otherwise approved in advance in writing by Solution Provider/ Component Provider.

3.9 Quality Control. OCP may, from time-to-time, request in writing specimens of the materials of the Solution Provider/Component Provider to assess the level of consistency and quality of use of the Licensed Solution/Component Provider Marks and to ensure that Solution Provider/Component Provider maintains the consistency and quality of the throughout the term of the this Solution Provider/Component Provider Agreement. Solution Provider/Component Provider shall provide such specimen at no cost to OCP. If at any time OCP reasonably determines that any materials bearing the Licensed Solution/Component Provider Marks fail to materially conform to OCP's minimum standards or the OCP Trademark Usage Guidelines, OCP shall so notify Solution Provider/Component Provider in writing and Solution Provider/Component Provider shall correct the non-conformance and provide a corrected specimen of such materials to OCP for review within thirty (30) days from the written notice from OCP regarding such non-conformance.

4. Term.

4.1 Term. The term of this Agreement shall commence on the Effective Date of this Solution Provider/ Component Provider Agreement, and shall continue for a term of twelve (12) months unless and until terminated as set forth in Section 5 below,. Thereafter, Solution Provider/ Component Provider may renew this Solution Provider/ Component Provider Agreement for a twelve (12) month term by paying the applicable fees for the next year, so long as Solution Provider/ Component Provider continues to qualify for participation in the Solution Provider/ Component Provider Program as described in Section 2.

5. Termination.

5.1 Termination for Breach. OCP may terminate this license upon thirty (30) days prior written notice to Solution Provider/ Component Provider, without need of

Open Compute Project Foundation Solution Provider/ Component Provider Agreement

judicial notice or court action, of a material breach of this Solution Provider/ Component Provider Agreement, unless the breach is corrected to OCP's reasonable satisfaction within the thirty (30) day period. Material breaches shall include, but not be limited to, the Solution Provider/ Component Provider's use of the Licensed Solution/Component Provider Marks inconsistent with this Solution Provider/ Component Provider Agreement;

- 5.2 Termination of Membership.** In the event Solution Provider/Component Provider ceases to be an OCP Member in good standing pursuant to the Bylaws, the Membership Agreement, the Tiered Membership Policy or any other applicable document or agreement, the license granted herein shall terminate without notice and with immediate effect, and Solution Provider/Component Provider shall cease any and all use of the Licensed Solution/Component Provider Marks and destroy any physical materials bearing the Licensed Solution/Component Provider Marks.
- 5.3 Termination for Failure to Adopt Amended Terms.** OCP shall have the right to amend this Solution Provider/ Component Provider Agreement by providing Solution Provider/Component Provider with at least sixty (60) days written notice of such amendment, after which time this Solution Provider/ Component Provider Agreement will terminate absent written agreement by Solution Provider/ Component Provider to the amended terms (the "Revised Solution Provider/ Component Provider Agreement").
- 5.4 Termination By Solution Provider/Component Provider.** Solution Provider/ Component Provider may terminate this Solution Provider/ Component Provider Agreement (i) any time within thirty (30) days of adoption of a Revised Solution Provider/Component Provider Agreement by giving written notice to OCP; or (ii) any time after giving ninety (90) days advanced written notice to OCP; nothing in these Trademark Terms shall relieve Licensee of its surviving obligations pursuant to Section 5.9 of this Solution Provider/ Component Provider Agreement.
- 5.5 Termination of Solution Provider/ Component Provider Program.** This this Solution Provider/ Component Provider Agreement immediately terminates upon discontinuance of the this Solution Provider/ Component Provider Program, for any reason. If this Solution Provider/ Component Provider Agreement is terminated pursuant to this section, Solution Provider/ Component Provider must cease use of the Licensed Solution Provider/ Component Provider Mark, but shall be afforded three (3) months subsequent to the discontinuance of the Solution Provider/ Component Provider Program to cease use of the Licensed Solution

Open Compute Project Foundation Solution Provider/ Component Provider Agreement

Provider/ Component Provider Mark. If such termination takes place other than upon a renewal date described in Section 4.1, OCP shall refund to Solution Provider/ Component Provider a pro-rata portion of the amounts payable by Solution Provider for the current year.

- 5.6 Partial Termination by OCP.** Upon three (3) days prior written notice, OCP may terminate Solution Provider/Component Provider's right to use the Licensed Solution/Component Provider Marks without need of judicial notice or court action in one or more particular countries, states, counties, or other jurisdictions (each a "jurisdiction") (i) where such continued use is prohibited in any respect by the action of any judicial, administrative or like authority, or as a result of an agreement with a third party to settle a dispute relating to a trademark or service mark based on the Licensed Solution/Component Provider Marks, or (ii) in which OCP determines that the continued use of the Licensed Solution/Component Provider Marks in such jurisdiction may impose potential liability on OCP or seriously threaten OCP's ownership or use of the Licensed Solution/Component Provider Marks.
- 5.7 Insolvency.** This Solution Provider/ Component Provider Agreement will terminate immediately and automatically, without the need for notice to Solution Provider/ Component Provider, if Solution Provider/ Component Provider (i) makes an assignment for the benefit of creditors; (ii) is the subject of any voluntary or compulsory winding-up other than for the purposes of reconstruction or amalgamation; (iii) has a receiver, trustee, liquidator, assignee, custodian or similar official appointed for it or for any substantial part of its property; (iv) is the subject of any dissolution or liquidation proceeding; or (v) discontinues its business in the ordinary course without a successor.
- 5.8 Effect of Termination.** Upon the termination of this Solution Provider/ Component Provider Agreement, (a) Solution Provider/ Component Provider will have no further rights, privileges, or licenses under this Solution Provider/ Component Provider Agreement, (b) Solution Provider/Component Provider will discontinue immediately all use of the Licensed Solution/Component Provider Marks and will not use any marks confusingly similar thereto, (c) and Solution Provider/Component Provider will cooperate generally with OCP to insure that all rights in the Licensed Solution/Component Provider Marks and the goodwill connected therewith shall remain the property of OCP. Unless otherwise specified in a specific provision in Section 5, upon termination Solution Provider/Component Provider may not distribute any remaining materials, including electronic reproduction, bearing the Licensed Solution/Component Provider Marks.

Open Compute Project Foundation Solution Provider/ Component Provider Agreement

5.9 Survival. The obligations in Sections 3.5 (Ownership), 6.1 (Disclaimers), 6.2 (Limitations on Liability), 5.8 (Effect of Termination), 5.9 (Survival) and 6 (Miscellaneous) will survive termination of this Solution Provider/Component Provider Agreement.

6. Disclaimer and Limitation of Liability.

6.1 DISCLAIMERS. THE LICENSED SOLUTION/COMPONENT PROVIDER MARKS ARE LICENSED “AS IS,” WITHOUT ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND. OCP HEREBY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE LICENSED SERVICE PROVIDER MARKS, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

6.2 LIMITATIONS ON LIABILITY. THE OCP ITSELF, ITS MEMBERS, AND THEIR RESPECTIVE AFFILIATES WILL HAVE NO LIABILITY FOR ANY DAMAGES, INCLUDING WITHOUT LIMITATION ANY LIABILITY FOR ANY DIRECT, INDIRECT, INCIDENTAL, STATUTORY, PUNITIVE, OR CONSEQUENTIAL DAMAGES, INCURRED BY ANY PARTY ARISING OUT OF OR RELATED TO ANY USE OR EXPLOITATION OR ANY ATTEMPTED USE OR EXPLOITATION OF ANY TRADEMARK OR TRADEMARK LICENSE UNDER THIS SOLUTION PROVIDER/ COMPONENT PROVIDER SERVICE AGREEMENT.

7. Miscellaneous.

7.1 No Waiver. No failure to exercise, nor any delay in exercising or invoking any right or remedy under this Solution Provider/ Component Provider Agreement by OCP shall operate as a waiver thereof, nor shall any single or partial exercise or invoking of any right or remedy prevent any further exercise thereof or the exercise or invoking of any other right or remedy.

7.2 Severability. If any term or condition of this Solution Provider/ Component Provider Agreement is or becomes invalid or unenforceable, the validity or enforceability of any other term or condition of this Solution Provider/ Component Provider Agreement shall not be affected and such invalid or unenforceable term or condition shall be enforced to the maximum extent permitted by law and completed by a valid interpretation of such term or condition, which to the extent possible, achieves the original purpose of the invalid or unenforceable term or condition.

Open Compute Project Foundation Solution Provider/ Component Provider Agreement

- 7.3 Relationship.** Nothing contained in this Solution Provider/ Component Provider Agreement shall be construed as creating a joint venture, partnership, agency or employment relationship between the parties, and neither party will have any right to bind the other or incur any obligation on the other's behalf without the other's prior written consent.
- 7.4 Notices.** All notices to be given hereunder shall be sent to the addresses set forth in Exhibit C by express, registered or certified mail of the U.S. Postal Service with return receipt requested ("U.S. Mail"), or by a nationally recognized overnight courier service for next business day delivery ("Overnight"). Notice will be deemed to have been given if mailed, five (5) business days after the date on which such notice was mailed or, if sent by courier, two (2) business days after delivery by the courier company. Either party will advise the other of changes of address by written notice.
- 7.5 Governing Law and Venue.** These Trademark Terms shall be governed by the laws of the state of Texas, USA, excluding its choice of law provisions. The parties agree that any dispute arising out of or related to these Trademark Terms will be subject to, and Member hereby consents to, the exclusive jurisdiction of the Texas state and federal courts.

PAYMENTS

Upon execution of the Solution Provider/ Component Provider Agreement, Solution Provider/ Component Provider shall pay a non-refundable participation fee based on Solution Provider/ Component Provider's membership level, as set forth in the table below:

Solution Provider Membership Level	Fee
Community	\$30,000
Silver	\$25,000
Gold	\$20,000
Platinum	\$15,000

All sums referred to in this Agreement are payable in United States currency. Solution Provider/ Component Provider shall be responsible for payment in full of all applicable taxes, tariffs, duties, use fees, deductions, withholding, value added taxes, and other governmental payments of any kind. Solution Provider/ Component Provider shall cooperate fully with OCP to file and secure any documents or other items necessary to comply with or obtain the benefits of any applicable laws, regulations, treaties, or other regulations relating to the payment or withholding of such taxes.

All sums due hereunder shall be due and payable upon receipt of OCP's invoice.
